To All Members

Dear Comrades,

Sub: 77th Foundation Day of our Association

It is our great pleasure and pride to inform you that our beloved organization which has started its historic journey way back in 1946, before Independence, in the name "United Commercial Bank Ltd. Employees' Association", shall step into its 77th year on 13th August of 2022. With the change in Bank's name the name of our association changed to "UCO Bank Employees' Association" (UCBEA).

During the entire period of its eventful journey since 1946 UCBEA has never faltered from the chosen path of upholding the employees' cause and advocating unity in action to realize that. Simultaneously, with building up movement through independent action, it has never lost sight of the paramount need to develop united movements with other organizations at the Bank level as well as at the industry level. It has also consistently responded to the calls for working class or broader democratic movement of the country on issues of common importance. Even in the pandemic situation prevailing today the ruling combination is mounting offensives against the workers and employees. The Government is bent upon with the pernicious policy of privatization, liberalization and globalization. UCBEA, as conscious as ever about the utmost importance of united battles to combat these offensives shall carry forward the causes of the employees with unflinching determination.

We are proud of our colourful and eventful journey of UCBEA and in course of journey it produced great leaders in the bank as well as in the banking industry who had sacrificed a lot to build this organization. Our present leadership at various states and at national level is our place of pride. Leadership of our organization in its entire journey maintained and is maintaining integrity, honesty and democratic approach within the organization. The matured understanding of the leadership made them capable to sustain on the face of all odds and attacks from the Government as well as from the Bank. Equally our members and patrons those who were and are still with us deserve great appreciation for their contribution in this glorious journey of our Association. We are also proud of our new energetic leaders and members for their positive approach and struggling mind set for the organization as well as for Bank.

We call upon our members, sympathizers and patrons to respond to the call of the respective State Committee to observe the 77th Foundation Day on 13th August, maintaining safety and social distancing norms. **We further call upon our State Committees to observe the Foundation Day with due pomp & grandeur with our members and sympathizers and take pledges :**

- **To promote and better promote the interest of the employees and interest of our Bank – UCO Bank as a PSB.**
- **To promote broad unity of the employees and preparedness to face the challenges emerging due to growing attacks from Bankers-Government combine.**
- **To raise voice against the policy of privatization of public sectors and sale & misuse of public property against the interest of the common people.**
