Quote

The NDA-II government has been working overtime to hand over the public sector enterprises to the corporate houses either through privatization or by way of National Monetisation Pipeline (NMP).

Since announcement of Union Finance Minister for privatizing two public sector banks during presentation of budget for 2021-22, the bank employees are on the path of intensified agitation and already observed countrywide bank strike for 4 days so far.

Recently, the media has reported that the government is likely to introduce Banking Laws Amendment Bill in the upcoming monsoon session of Parliament to facilitate the privatization of PSBs.

In this backdrop, the General Council meeting of BEFI held at Kolkata on 20-21 June 2022 decided to observe Bank Nationalisation Day befittingly.

Hence, we call upon our Units and Affiliates to observe **54th Bank Nationalisation Day** falling on 19th July 2022 by wearing badges, displaying posters/banners/flex, organising Seminars/Webinars and other programme on the following demands:

- **Stop privatization of public sector banks**
- **Stop looting of public money**
- **Recover dues from big borrowers**
- **Adequate recruitment of SWO & Subordinate Staff**
- **Absorb all casual/contractual workers**
- **Ensure smooth customer service**
- **Increase rate of interest on deposits**
- **Reduce service charges.**

We are enclosing specimen badges and posters for printing at your end in vernacular and distribute the same to all branches/offices in your State at the earliest.
